

## **Full membership (large company)**

### **High Speed Rail Industry Leaders**

The aim of High Speed Rail Industry Leaders (HSRIL) is to support, promote and champion the principles of High Speed Rail in the UK.

Members come together to coordinate and share the expertise and experience within the industry and help assure that Britain's national high-speed rail network is delivered successfully to world class standards.

Members represent design, construction, manufacturing and operations, together with supporting specialist businesses from across the supply chain.
