

High Speed Rail Group

The aim of the High Speed Rail Group (HSRG) is to support, promote and champion the principles of High Speed Rail in the UK.

Members represent design, construction, manufacturing and operations, together with supporting specialist businesses from across the supply chain.

Members come together to coordinate and share the expertise and experience within the industry and help assure that Britain's national high-speed rail network is delivered successfully to world class standards.

Railway Industry Association - SME "bolt on" Membership
