

Expert membership

High Speed Rail Group

The aim of the High Speed Rail Group (HSRG) is to support, promote and champion the principles of High Speed Rail in the UK.

Members come together to coordinate and share the expertise and experience within the industry and help assure that Britain's national high-speed rail network is delivered successfully to world class standards.

Members represent design, construction, manufacturing and operations, together with supporting specialist businesses from across the supply chain.

Expert member

Company Profile: relevant organisation with a significant interest in high speed rail, however perhaps not from a commercial perspective e.g. training or research organisation

Fee: £2,000 and /or contribute their professional services and expertise as required by HSRG

Benefits:

- Daily media and political monitoring
- Invitations to HSRG events relevant to their sector
